

COURSE ANNOUNCEMENT

Exercise Design G-139

June 9-10, 2009

8:30 a.m. to 5:00 p.m. daily

What: This class is fast paced and will give you hands on experience in developing disaster exercise goals, designing an exercise, understanding the building block approach of exercises, writing messages, evaluating exercises and conducting an exercise in class. In addition, the class will write an after action review report (AAR).

Where: Rio Grande Ballroom, Building 67, Denver Federal Center. The Denver Federal Center is located at the intersection of Kipling and Alameda and the Visitors entrance is located off of Kipling. Building 67 (the largest and tallest building on the Federal Center) is located at the Intersection of 6th Street and Center Street (On the Federal Center). The training will be held in the Rio Grande Room which is on the Lobby Level (2nd Floor) of Building 67.

Lodging will be provided upon request if mileage program requirements are met.
